UCARES CERTIFICATION

LEVEL 3
Name: _____ Callsign: _____

> At this level, our objective is to prepare you to take on more responsibility in emergency operations. You will further enhance your skills, acquire advanced equipment, and take on leadership tasks. Successfully completing this level will position you to be a reliable and responsible member of the emergency response team, capable of coordinating and managing critical operations.

Prerequisites

- ☐ Complete Level Two Certification

Equipment Requirements

- ☐ Mobile 2m/70cm radio (40W min)
- ☐ Spare fuses for mobile radio and cable (as necessary)
- ☐ Anderson Power Poles
  - ☐ Power pole to cigarette lighter
  - ☐ Power pole to alligator clip
  - ☐ Power pole extension cable
  - ☐ Power pole three way splitter
  - ☐ We recommend replacing the plug on your mobile radio with anderson power poles so it can be interchangeable with other radios within UCARES
