Name: _____ Callsign: _____

ℹ️ At this level, our objective is to help you become a reliable participant in emergency operations. You have the equipment and skills to operate independently, portably, or in a group setting. You are a comfortable amateur radio operator, competent Net Control operator, and able to cooperate with non-amateur participants.

Prerequisites

- ☐ Complete Level Three Certification

Equipment Requirements

- ☐ LiFePo4 Battery (20Ah minimum)
  - ☐ Ability to connect using Anderson power poles
  - ☐ Ability to charge battery with AC power
  - ☐ (optional) Ability to charge battery with solar
- ☐ All DC Ham Equipment, handhelds excluded, should be equipped with Anderson power poles
- ☐ Head Lamp
- ☐ 12VDC LED light with Anderson power poles

💡 **TIP**

Scan the QR Code at the top of the page for tips, tricks, product links, and more!

Training Courses

- ☐ (optional) ARRL Intermediate EmCOMM
- ☐ (optional) ARRL Advanced EmComm
- ☐ (optional) AUXCOMM course

Participate with us

Liaison Visits

At this point, you should be familiar with your local EOCs. Please plan on visiting your EOCs during a simplex net regularly, the goal is 6x per year

Talk with your local (home / work) EOC liaisons about how you can support EOC operations, such as operating as NCS / ANCS

Activity Log

- ☐ Two UCARES Interface Meeting

DATE YYYY/MM/DD
DATE YYYY/MM/DD

Send in your completed certification level to our advancement coordinator certification@ucares.org

Coordinator	EC

☐ Present a Ham related topic at a UCARES Monthly Interface or Zoom Workshop (must be coordinated through interface@ucares.org)

> DATE YYYY/MM/DD

☐ Six UCARES weekly nets (two must be simplex)
